

GOLD LINE

Face Cream

WITH ROSE EXTRACT

Highly moisturizing and emollient due to the presence of rose extract, calendula oil, and sweet almond oil. The formulation is completed by lysed rose water, which enhances these properties. The cream also serves as an eye contour treatment.

The Precious Cap Cover

It's made with harmonious dried roses, it's a pendant to wear to bring grace, harmony, and elegance. All the caps of the Gold line products are adorned with gold inserts.

GOLD LINE

Face Scrub Gel

WITH FERMENTED ROSE

The presence of fermented rose fragments, lysates, and plant extracts allows for a gentle yet deep cleansing of the facial skin. It removes dead skin cells and gives the skin a healthy, radiant appearance.

GOLD LINE

Rose Gel

FERMENTED

Contains fermented Lysed Rose Water with antioxidant activity. The intense scent it emits is the result of a natural fermentation process that enhances its properties, increasing the bioavailability of nutrients, making the gel rich and easily absorbable. It keeps the skin smooth and velvety.

The Precious Cap Cover

It's made with harmonious dried roses, it's a pendant to wear to bring grace, harmony, and elegance. All the caps of the Gold line products are adorned with gold inserts.

GOLD LINE

Toothpaste

**WITH ROSE AND
BAKING SODA**

Baking soda and carbonate provide an effective cleaning and polishing action on teeth. Sage, cloves, and mint offer cleansing, supportive, antibacterial, and aromatic properties, while horsetail, rich in silica, enhances the action of pure silica present in the formula, helping to achieve clean and shiny teeth.
