**Extravergine Coffee**

**Extravergine Coffee is a sensory revolution.  
It blends the refinement of high-quality  
coffee with the delicate and fruity aroma  
of Taggiasca extra virgin olive oil,  
renowned for its numerous health  
benefits.**

**Thanks to an exclusive processing method,  
the oil seamlessly integrates with the  
coffee without altering its aromatic profile.  
In this way its creaminess, roundness, and  
structure is enhanced.**

**The result is a velvety, complex, and  
enveloping beverage, leaving a persistent  
and pleasantly harmonious aftertaste.  
A truly unique taste experience celebrating  
the best of Italian tradition and innovation.**

**Green Berry Bio**

The background is a light cream color, decorated with a pattern of autumn-themed elements. There are numerous small, stylized yellow and orange maple leaves scattered throughout. Interspersed among the leaves are small, round pink berries with green stems and leaves. Some of the leaves are a muted sage green color. The overall aesthetic is soft and natural, evoking a sense of organic growth and harvest.

**Green Berry BIO by Brasiliana Roastery is an Organic Coffee of Excellence, crafted from carefully selected beans. These are grown according to the strictest organic standards, with full respect for the environment and biodiversity.**

**Every stage of production, from plantation to artisanal roasting, is completely free of pesticides and chemicals, ensuring a pure and genuine coffee experience.**

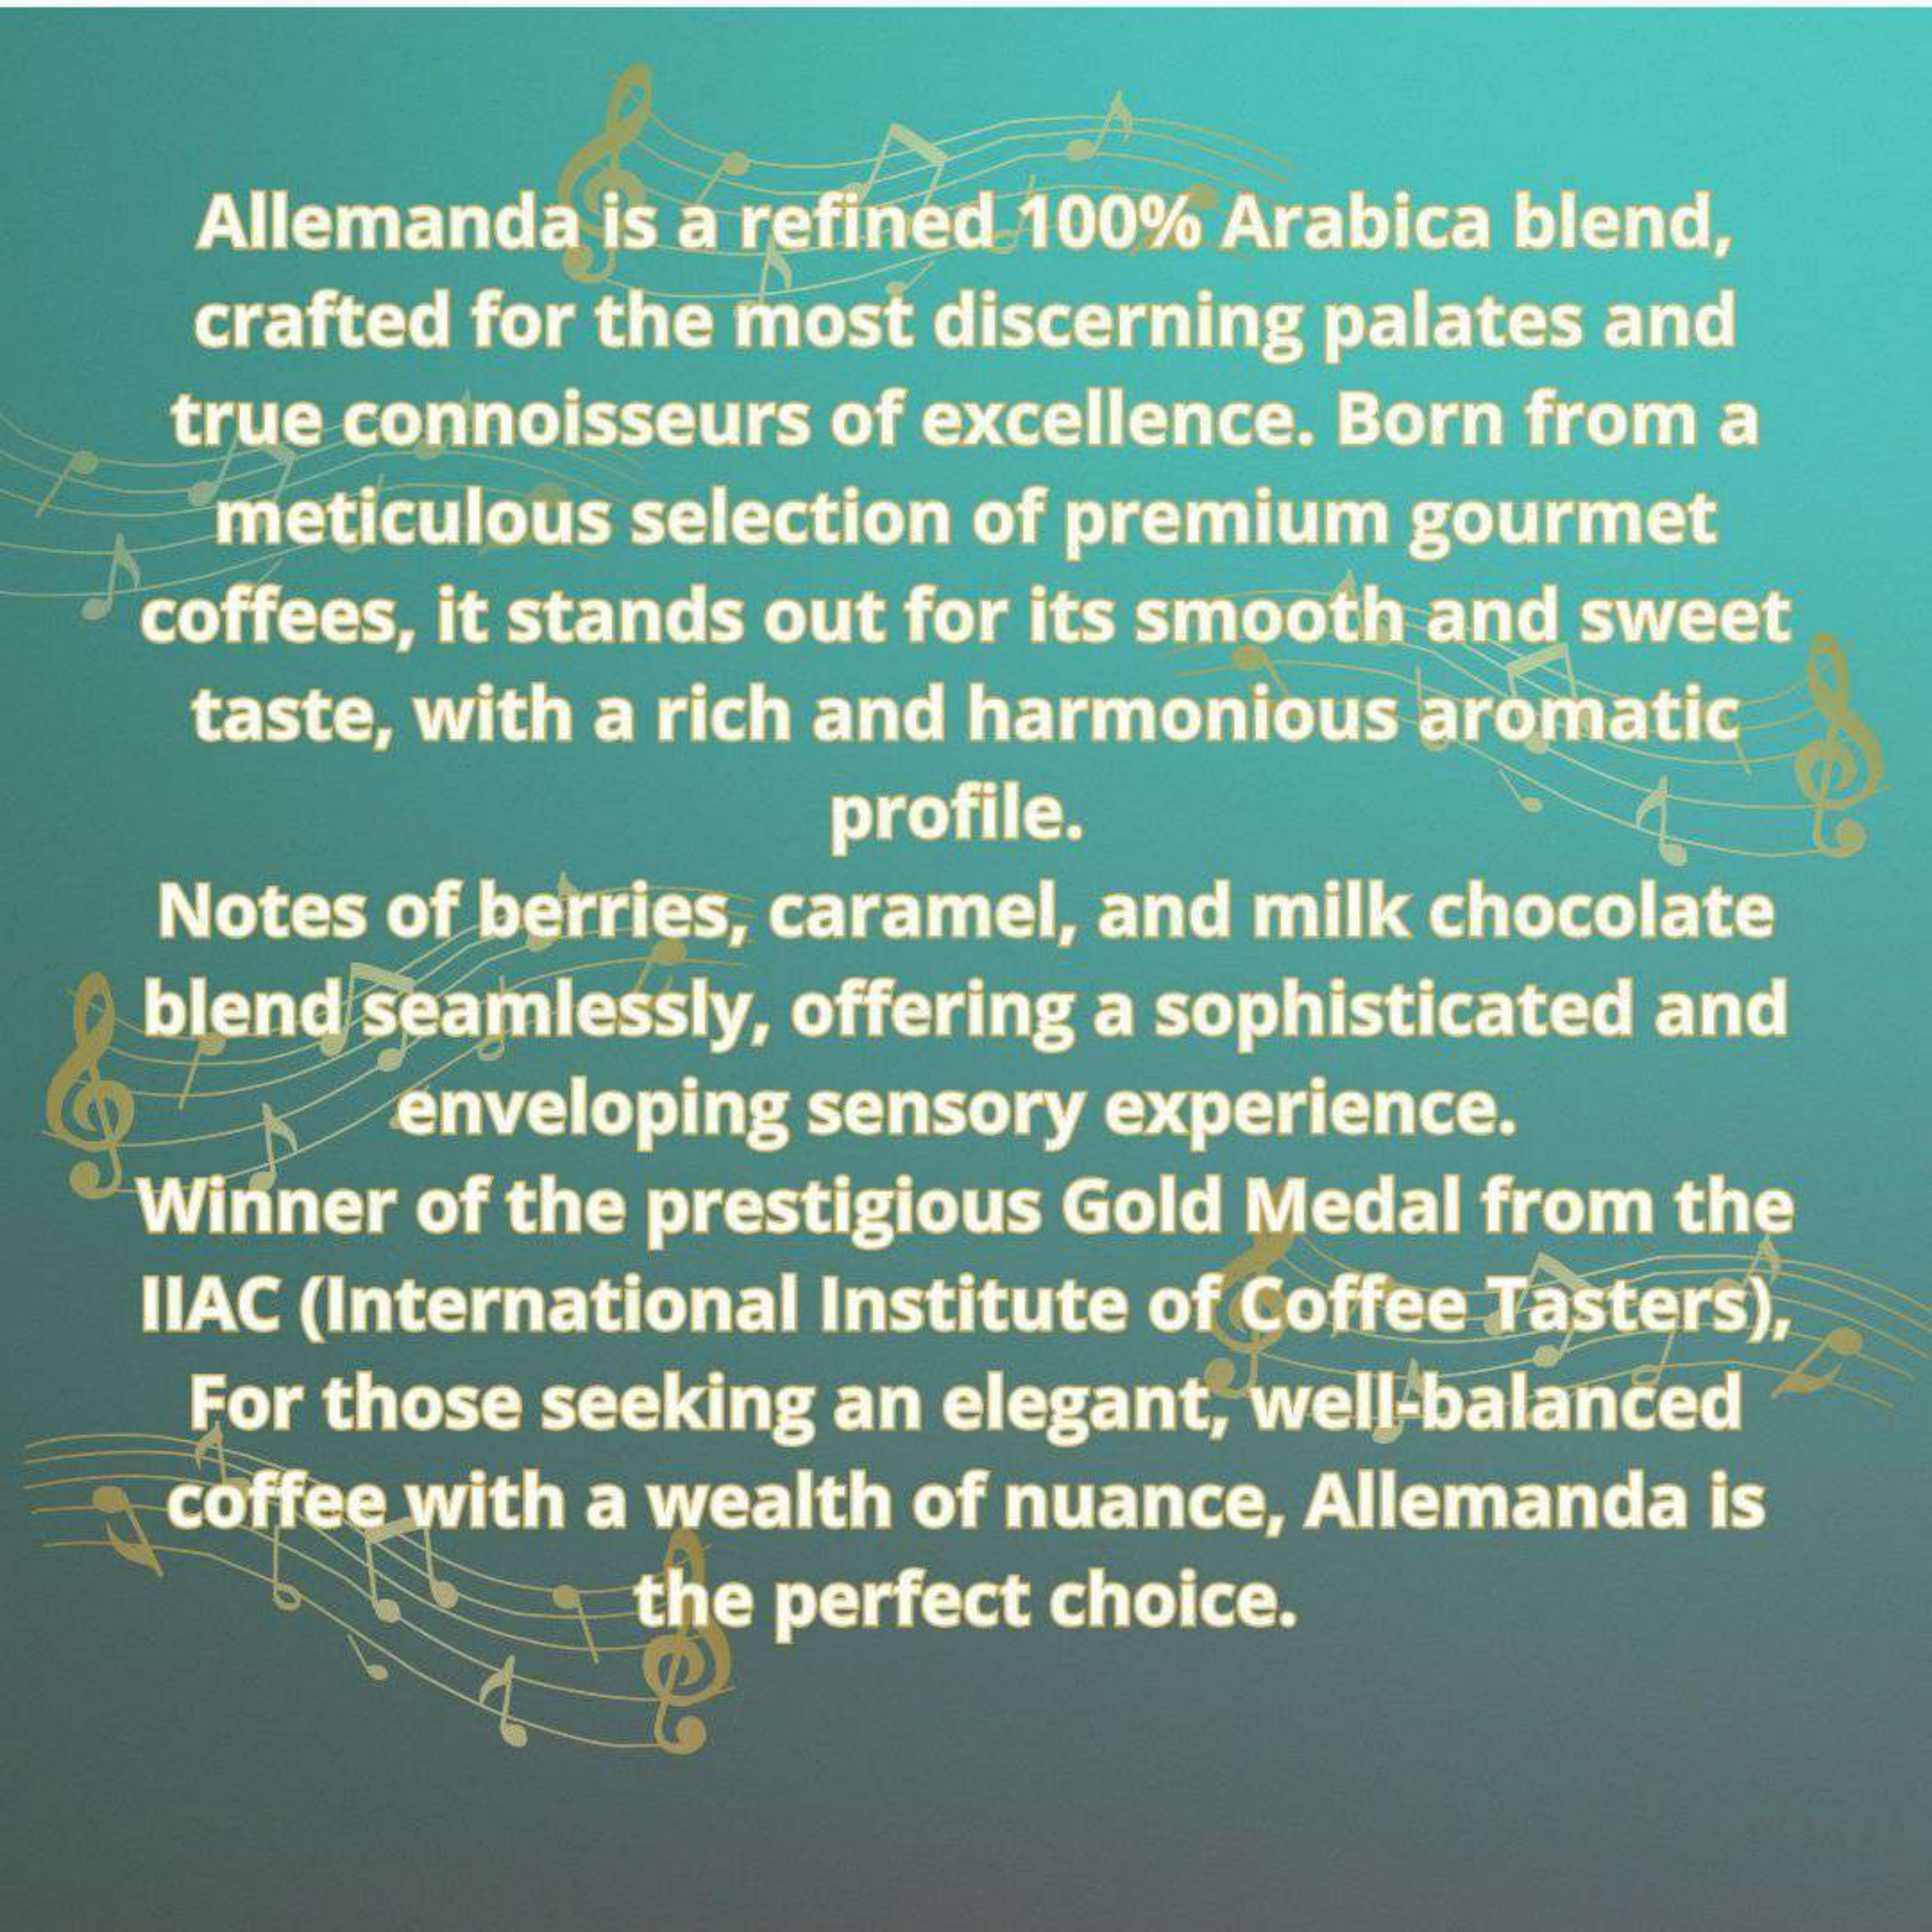

**Green Berry releases intense and natural aromas, with harmonious notes that enhance its sweetness and flavor complexity.**

**The result is a well-balanced and enveloping cup, celebrating the authenticity of nature and the pleasure of an ethical and sustainable coffee.**
