GLI STRUMENTI PIU' FLESSIBILI PER DARE FORMA AI VOSTRI PROGETTI

*The most versatile tool
to display your products*

MADE TO DISPLAY

ZAF significa capacità ed esperienza nella progettazione e produzione di soluzioni espositive flessibili, funzionali e di personalità per grandi, medie e piccole superfici. E' in un'area merceologica come quella della **farmacia**, **parafarmacia** e **cosmesi**, che design e funzionalità mettono al centro il prodotto proponendolo in maniera efficace, sia esso inserito in una grande superficie di vendita o in un negozio di settore.

MADE TO DISPLAY

ZAF has the skills and a large experience in designing and manufacturing custom made display solutions for large, medium and small retail areas. Design and functionality of the display fixtures and the right focus in the products are the key factors to achieve the maximum success in the health care business ranging from **pharmaceuticals** to **cosmetics** and **personal hygiene** products.
