## Il Melograno

The Krisonia logo is represented by a pomegranate.

The pomegranate is a treasury of symbolism held sacred by many of the world's civilizations. Ancient Greeks believed that pomegranate juice was the symbol of love. In many cultures, this divine fruit symbolizes life, prosperity and good fortune.

For Krisonia, it embodies the deep roots of its heritage. It also reflects the brand's commitment to creating jewellery that is rich in value and meaning, representing a bridge between tradition and modern elegance.

Furthermore, the pomegranate represents Krisonia's corporate belief: together we are stronger. Just like hundreds of arils are needed to form one magnificent fruit.
