ORO IN BLU

A blend of elegance and tradition. Each "Oro in Blu" bottle is hand-painted, a masterpiece embodying the centuries-old art of Gualdo Tadino's lustrous ceramics.

The fusion of blue and gold celebrates the cultural richness of the region and reflects the craftsmanship that still thrives today.

Inside, the olive oil from our land, with its bold and rich flavor, carries the true essence of Umbria.

Sustainable and refillable, these bottles add a touch of sophistication to your kitchen, perfectly paired with our Bag in Box for a complete experience.
