

brondelloerminio cuneolegno parquet

**Exclusivity and ecology
applied to home furniture.
The use of recycled wood
for floors-coverings.**

Wood Floors

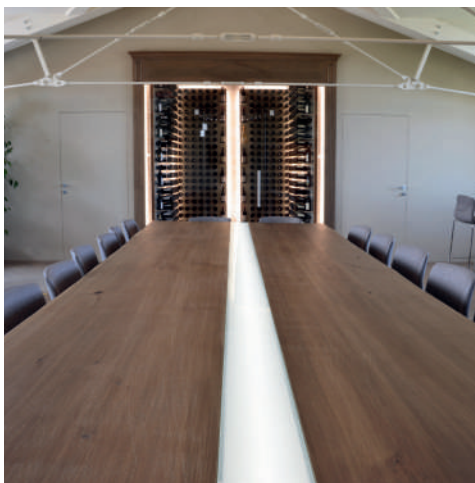

brondelloerminio
cuneolegno parquet

We create unique parquet
with large or small slats.
We love our job and
we create products driven by
passion, knowledge and technique.

Furnishing Complements

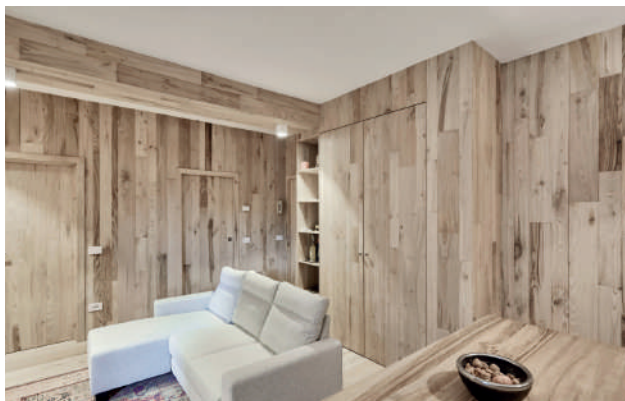

brondelloerminio
cuneolegno parquet

We have always built furniture
with recovered wood and
we are careful to create unique works
tailored to the customer's needs.

Wood Coverings

Building and creating wooden works such as floors and walls is a daily challenge for us: finding the exclusive solution while respecting the material.

Stairs

brondelloerminio
cuneolegno parquet

We also create stairs and furnishing solutions with recycled wood, in order to give it new life and new pleasure for our eyes.

Outdoor Wood

brondelloerminio
cuneolegno parquet

Continuous research and study of wood technology treaties to develop new methods of aesthetic treatment according to style.
