

ELKA

Italian Design Marine Faucets

Introduction

We are a well-established Italian company that works in the naval market through the supply of taps, showers and bathroom accessories.

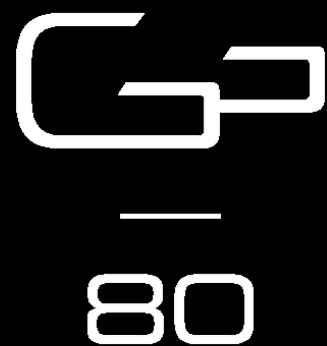

Our company was founded in 2003 by Katia Paracchini. Since then, we have continued to grow and establish ourselves as a leader in the luxury sector. Our passion for excellence and attention to detail have allowed us to earn the trust of our customers around the world.

Exquisite Tap Designs

We take pride in offering a wide range of high-quality products designed to increase the functionality and efficiency of our plumbing solutions. With a focus on innovation, sustainability and customer satisfaction, Elka is a trusted resource for all your faucet needs.

Customization

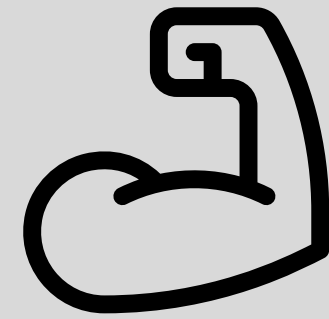

Our strong suit is the customization of our item.

We start with a standard item and work closely with our customers to find the ideal solution.

Whether you require specific design elements, size adjustment or special finishings, our team is dedicated to delivering what you need.

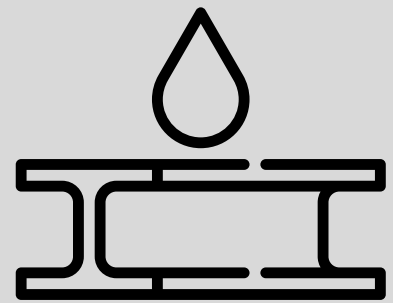

Materials

Brass

has excellent resistance to corrosion, making it suitable for use in marine environments and places with high durability requirements

Materials

SS AISI 316

Stainless steel is highly resistant to corrosion, making it suitable for use in a variety of environments, including marine

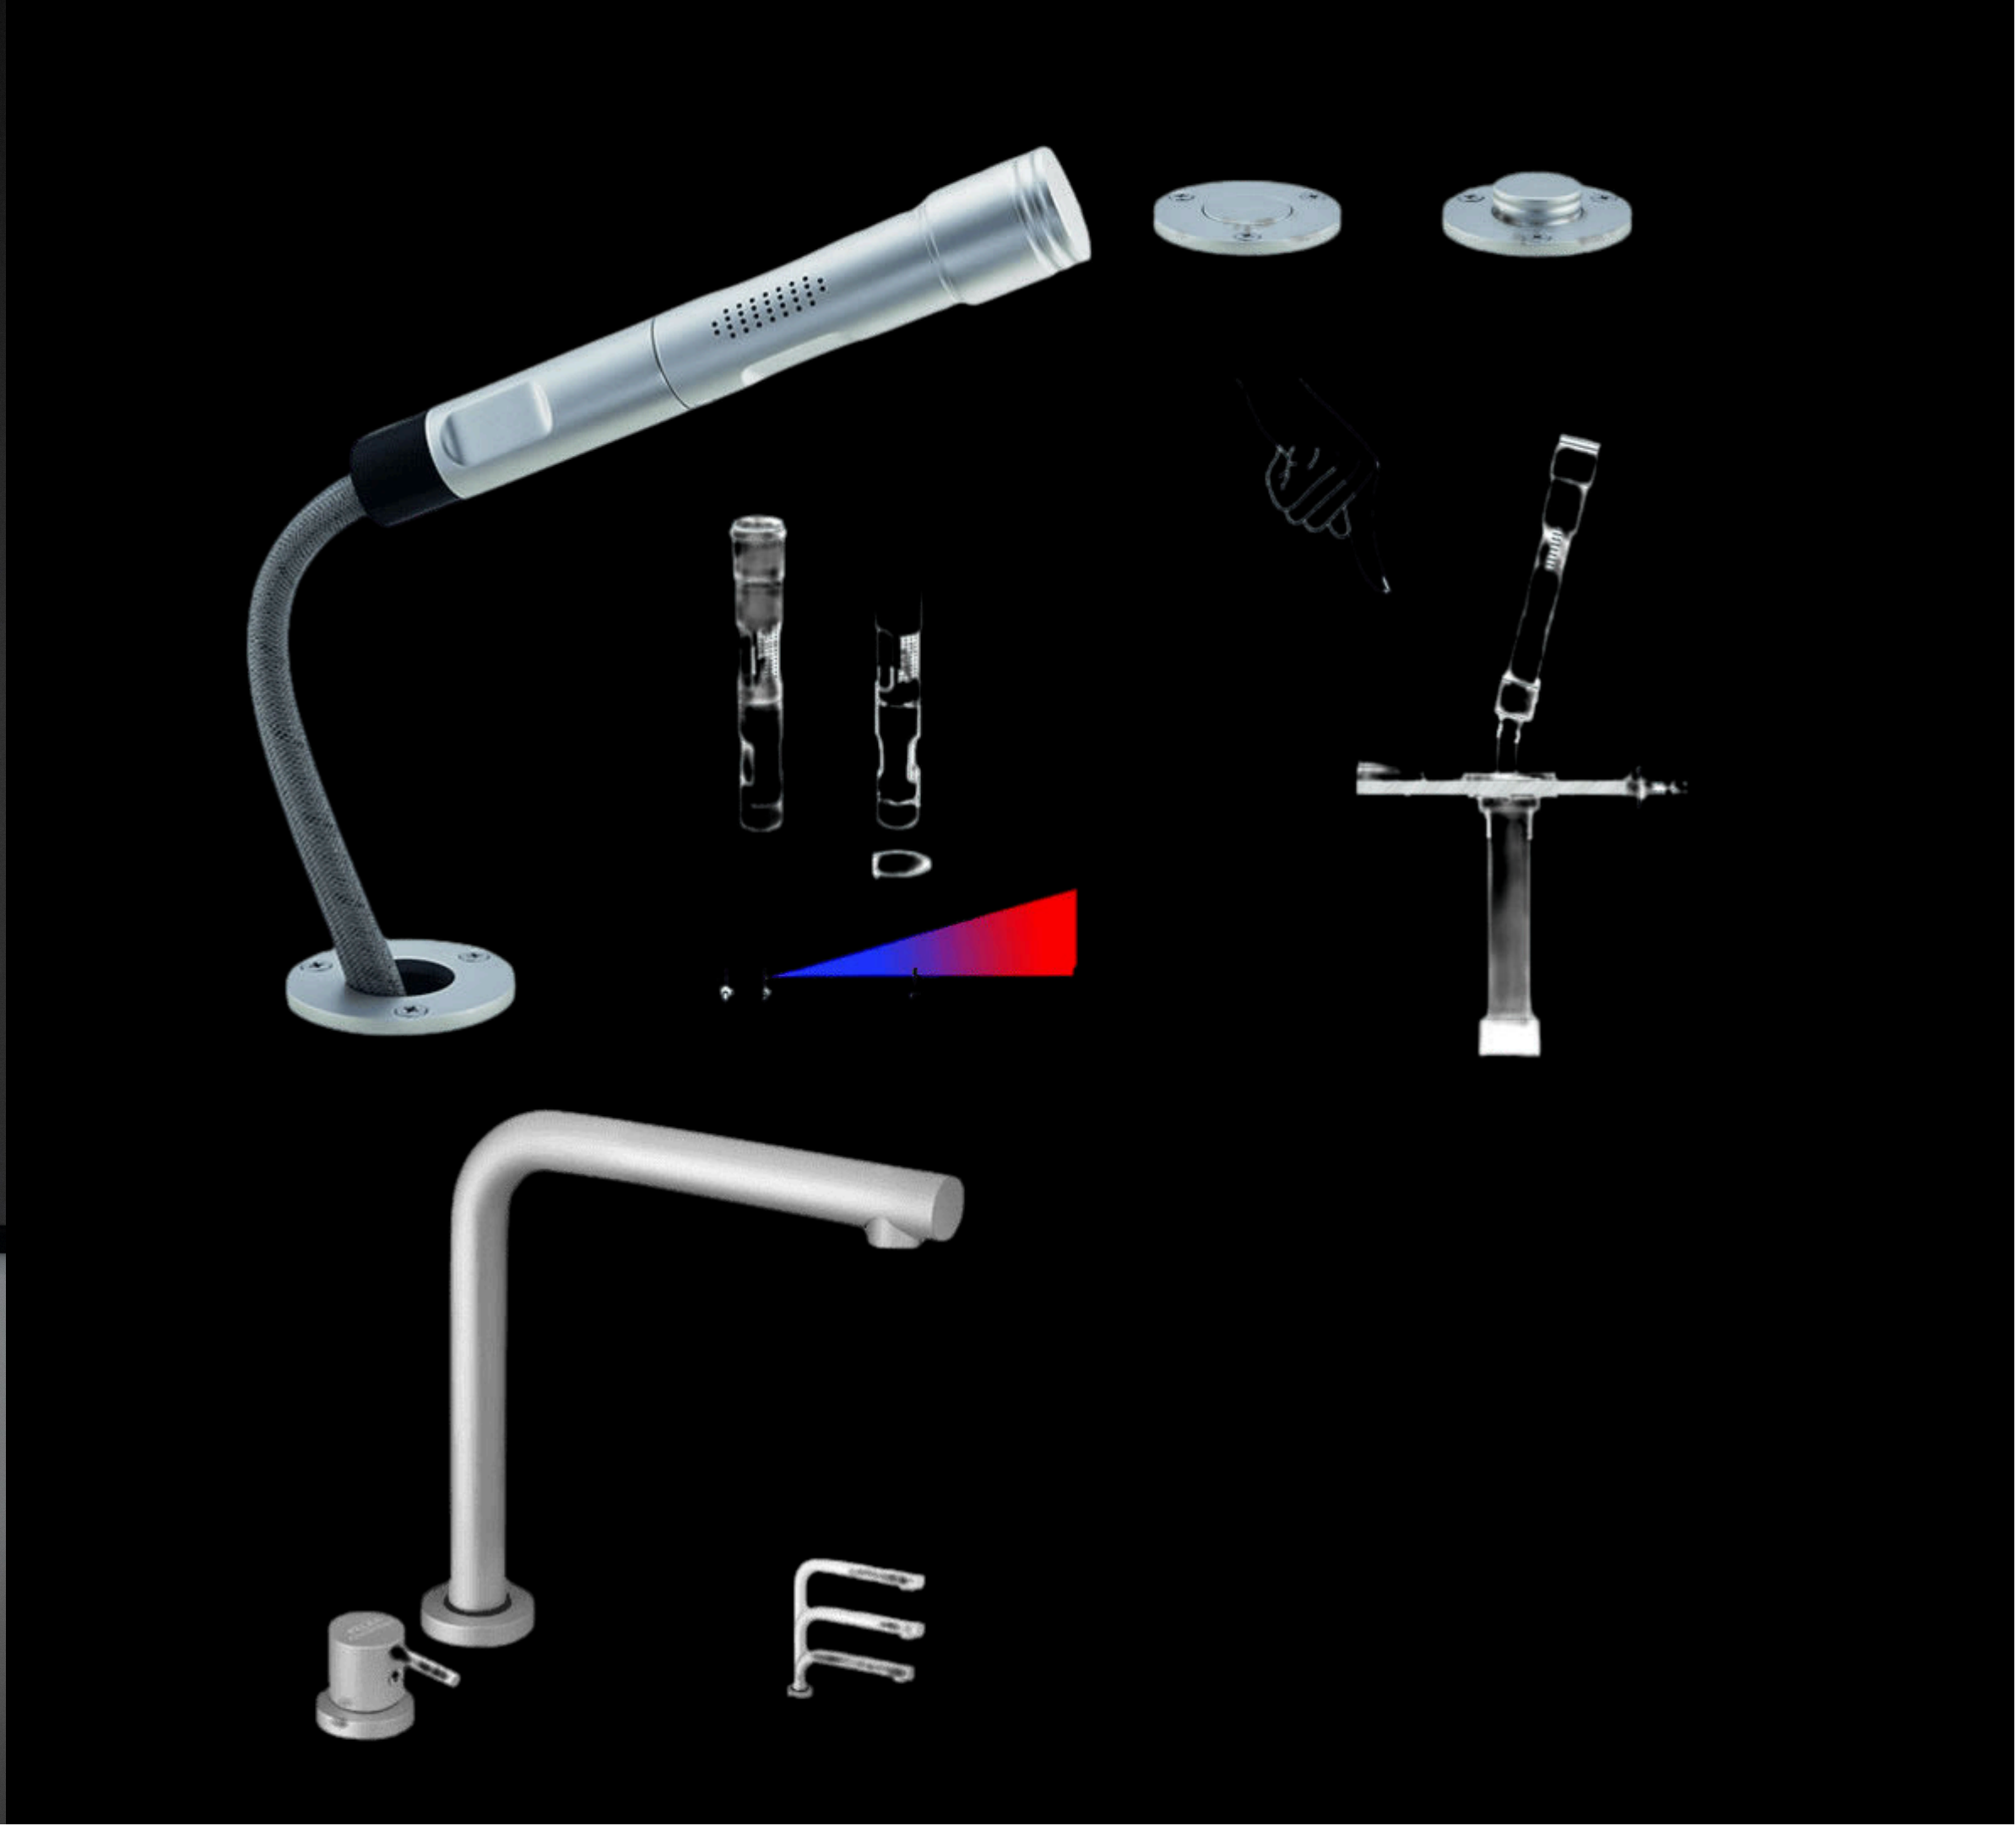

Materials

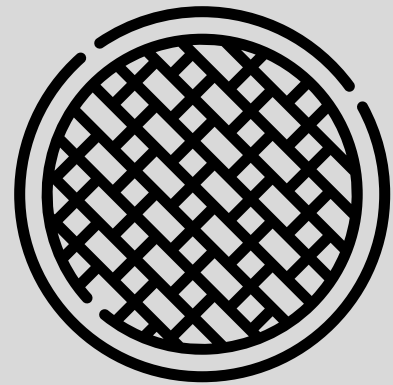

Alluminium

is known for its lightweight properties. It has a lower specific weight compared to many other metals, making it ideal for applications where weight reduction is crucial, such as in the aerospace and automotive industries.

Aluminum is highly recyclable and can be melted and reused without losing its fundamental properties

Materials

Carbon fiber

Carbon fiber is extremely lightweight and rigid, providing exceptional stability and resistance to deformation.

Finishings

- Galvanic
- Lacquered
- PVD
- Anodization

PRESTIGIOUS COLLABORATIONS

Over the years, we've had the privilege to collaborate with some of the world's most prestigious yacht companies and projects. Our products adorn some of the most iconic and luxurious vessels, adding a touch of timeless class.
