Infant Barrier Cream

**With snail mucin, extra virgin olive oil, zinc oxide,
and rice bran oil.**

**Soothing Format: 100ml
Fragrance: Baby Love
Container: White tube**

Dermatologically tested on sensitive skin, this formulation is designed specifically for diaper changes and the treatment of redness, irritation, and diaper cracks. The inclusion of zinc oxide creates a non-occlusive, breathable protective barrier that facilitates the restoration of the skin barrier while providing a soothing effect.

It is abundant in high-quality functional ingredients, including rice bran oil and olive oil, which moisturize the baby's skin without causing harm or irritation. The formulation spreads easily and feels lightweight on the skin, delivering essential hydration while leaving the skin feeling fresh and protected.

BABY SHAMPOO AND MILD DETERGENT

With Snail Mucus, Argan Oil, and Extra Virgin Olive Oil

**Format: 200ml Fragrance:
Baby Powder Tests
Conducted: Nickel Test**

A gentle emulsion crafted with a base of mild surfactants that possess softening, emollient, and soothing properties. It cleanses delicately while respecting the physiological balance of the most sensitive skin, thereby minimizing the risk of allergies and irritation. Enriched with argan oil and olive oil, known for their potent hydrating, emollient, and soothing effects, it renders the skin soft and velvety. Due to its gentle formulation, it does not irritate the eyes or mucous membranes, leaving the skin clean and dry without causing harm. Suitable for use on both the body and hair.

EXTRA NOURISHING GENTLE OIL FOR BABY AND MOTHER

with snail mucin, sweet almond oil, and vitamin E

Format: 100ml Fragrance: Baby Powder Tests Conducted: Nickel Test

Moisturizing face and body oil, distinguished by its subtle fragrance, is expertly formulated to provide optimal gentleness for both mother and baby's skin. It is ideal for maintaining skin elasticity before and after childbirth, effectively addressing blemishes and stretch marks. The synergistic effects of calendula extract, rice bran oil, and wheat germ oil help prevent irritation while soothing minor wounds and redness. Additionally, vitamin E delivers intense protection, rendering the skin soft and velvety while preserving hydration. With a lightweight and easily absorbed texture, it is also suitable for the most sensitive skin types and those prone to allergies.

Baby Face Body Moisturizing Cream

with snail mucin, rice bran oil, and shea butter

Format: 150ml Fragrance: Baby Powder Tests Conducted: Nickel Test

Formulated primarily as an emollient, this product nourishes and moisturizes the delicate skin of infants. It is enriched with high-quality functional ingredients, including snail mucin, shea butter, rice bran oil, argan oil, and calendula extract, which hydrate, nourish, and soothe the baby's skin without causing harm. Furthermore, the synergistic effect of aloe vera, chamomile extract, and avocado oil provides intense protection for the skin, rendering it soft and velvety. The collaboration of these active ingredients effectively soothes and hydrates red, irritated, and chapped skin, resulting in a smooth and supple texture. It is easily applied and rapidly absorbed, leaving the skin feeling clean and dry. Suitable for use on both the body and the face.
